

## **Greetings Odyssey Family – Member – Supporter**

### **Adopt – A- Family Program**

It is that time of year that Odyssey Productions, Inc. reaches out to community individuals and businesses for assistance with our annual Christmas “Adopt-A-Family” Program. We are able to sustain this program by soliciting your assistance. We are putting out a challenge to each and every company or organization that we know to pick up and sponsor a family each Christmas holiday season. The families that we are attempting to sponsor will have already been turned down by the United Way 211 system, Salvation Army, Family and Children Services, or any other charitable organization that maybe have just run out of funds, supplies or demands were already set for the total number of families that they could support. This is where we at Odyssey Productions, Inc comes in. The families most of whom would have been referred to us from one of these non-profit organizations with the hope that we can possibly assist them during the holiday season but we need your assistance to do so.

Each year we plan on reaching out to at least 25-50 families depending on the number of sponsors, to provide food, toys, and clothing. If you or your company are interested in adopting or sponsoring a family this year and meeting this family face to face on the designated date and time please let us know.

If you are interested please give us a call at our Odyssey Hotline: **(770) 217-0005** to sign up for this particular program. This event promises to get your business or organizational team members a lot of joy and satisfaction of giving back and helping others that are less fortunate. Each business or individual sponsors will be giving a family’s name, children’s name and ages, clothing size, and desired toy for each child at least 2 weeks before the scheduled date. There will be no contact with the family until the date of meeting with them as we want to capture the joyous pleasure of meeting each other that we know will be a memorable experience. There will be a special time slot set aside for you to meet and greet your special sponsored family. All families will be required to bring proper paperwork required by Odyssey Productions - along with their kids to this special meeting so that you will have the opportunity to meet all of the sponsored family members in person. Note: All items purchased can be tax-deductible gift In-Kind donation through Odyssey Productions, Inc. for any food, toys or clothing items. Please bring your receipts to turn into our accounting department for proper credit documents to be sent to you.

Again if you or your company is interested please contact us at the number above or simply visit us on our website at: [www.odysseyproductionsinc.com](http://www.odysseyproductionsinc.com)

Thank you in advance for your consideration and generosity in support of this program and other program presented by Odyssey Productions, Inc.

**If It Is To Be; It Is Up To Me**
